Senior Year Overlap Graduate Program*

The following student is recommended for the senior year overlap program under which he/she may take graduate level courses to apply toward a graduate degree at SFA.

Name of Student: _____ Date: _____

Student ID Number: _____ Undergraduate Major: _____

Expected Graduate Major: _____

Overall Undergraduate GPA to date: _____

Number of Undergraduate Semester Credit Hours Completed to date: _____

We recommend this student for the senior year overlap program and understand that any courses He/she completes for graduate credit cannot be applied to his/her undergraduate degree program.

Approved: _____ Date: _____
Associate Dean/Department Head

_____ Date: _____
Dean

*To be eligible for the Overland Program, a student must be enrolled at SFASU and must have at least ninety five (95) semester hours of undergraduate credit. A student with fewer than one hundred and fifteen (115) hours of semester credit must present a 3.0 GPA both overall and in the major field. A student with one hundred and fifteen (115) or more of undergraduate credit, however, may be admitted to the Overlap Program by presenting a 2.8 GPA overall and a 3.0 GPA in the major field.

Any student admitted to the Overlap Program must take the GRE during the first semester of enrollment in the program, at the earliest possible date.

When this form has been completed and all approval signatures, obtained, the student must bring this form to the Graduate Office where he/she will complete the admission application and pay appropriate fees.
